

JNPCT 3 QC's No 6, 7 & 8 Collapsed into Water – Nhava sheva, India – Update 3

06th Aug, 2020

Dear Valued Customers,

Further to our earlier updates released as of today, on the subject line, please note the below updated information on terminal and vessel status.

- ❖ Mumbai Vessel Traffic System has given a clearance for the channel movements a short while ago.
- ❖ The Power has been restored at the port area and operations will resume soon at Nhava Sheva terminals (excluding JNPCT).
- ❖ APMT, GTI has already confirmed that the power has been restored at the terminal post noon after which the normalisation activities have been completed. Vessel side operations have resumed. Also regular operation on rail side have commenced besides yard and gate.
- ❖ Our **PS3 Service vessel ONE Commitment V.049 E** is having a tentative berthing schedule on Aug 8th @ GTI terminal.

We will keep our customers duly informed of the berthing schedule at alternate terminals for the below mentioned JNPCT vessels, CY gate opening status etc as early as possible.
