Customer Advisory # MUM/2021-2022/332

26th November 2021

Dear Valued Customers

Kindly note, as per latest schedule update, NCI service vessel Wide Alpha v-0225E is more delayed due to berthing congestion at previous Ports. It is scheduled to arrive at JNPCT on 03.12.2021 instead of 01.12.21.

Berthing, Gate opening, and port cut off is still not confirmed by terminal due to delay.

It will omit east bound Colombo and Singapore call for schedule recovery.

ONE would like to take this opportunity to thank you for your continual support and for trusting your valuable business to ONE.

Should you have any questions or concerns, please contact your sales account representative or Customer Service desk for additional information.
