Dear Valued ONE Customer,

**PNW – Ad hoc Seattle call**

Please be informed the below vessels are adding ad hoc calls to Seattle which are meant for discharge operation only. The ad hoc calls are expected to mitigate the delays due to the long waiting time at Tacoma. Kindly refer to below for the imports' arrangement:

- Local Tacoma cargo: Customers are expected to pick up cargo directly at Seattle T18 Terminal
- Inland cargo via Tacoma gateway: Inland cargo to be railed via Seattle gateway instead of Tacoma gateway. Customers can expect to pick up at the same final delivery point without change.

Vessel voyages with additional Seattle call:

Service	Vessel Name	Voyage	USSEA ETA
PN1	ARGUS	0222E	1-Aug
PN2	SEASPAN BENEFACTOR	0071E	8-Aug

Should you have any questions or concerns, please contact your sales account representative for additional information.

Sincerely,
