

Advisory: TIP & TIG Routing Update Due to Trade Restrictions

Customer Advisory # MUM/2025-2026/238

08th May 2025

Dear Valued Customer,

Considering the recent trade restrictions between **India and Pakistan**, we wish to inform you of an important update to our service network involving the **TIP** and **TIG** services.

To align with the evolving regulatory environment, we will be **delinking Pakistan PODs from the TIP service**. In parallel, the existing **TIG service** will be **rerouted to serve Pakistan PODs**, instead of India.

Effective Vessel Voyages:

TIG Service: MV Highway 0350W – ETA LCH: **May 10–11**

TIP Service: MV George Washington 0037W – ETA LCH: **May 11**

Route Realignment Summary:
