ONE Donates to Charity Justdiggit on World Water Day

To celebrate World Water Day on 22nd of March, Ocean Network Express (ONE) has donated €10,000 to the charity, Justdiggit.

Water is very much a part of ONE's day to day operations and as this year's theme is "groundwater", ONE decided to donate to Justdiggit, a charity which specializes in digging up dry ground and capturing rainwater to regreen dried-up lands in Africa. The charity has several projects running in Kenya and Tanzania, which have already restored 60,000 hectares of land and brought back over 9 million trees.

Water is very much a part of ONE's day to day operations and as this year's theme is "groundwater", ONE decided to donate to Justdiggit, a charity which specializes in digging up dry ground and capturing rainwater to regreen dried-up lands in Africa. The charity has several projects running in Kenya and Tanzania, which have already restored 60,000 hectares of land and brought back over 9 million trees.

The donation will result in the digging of 1,250 water bunds, semi-circular shaped holes that effectively capture rainwater. These water bunds will collectively capture over 2.6 million litres of water every time it rains, resulting in the regreening of approximately 155,000 metres of land.
