Guidelines for Export Booking Submission – Shipper PDA / Liner PDA Requirements

Advisory No. MUM/2026-2027/181

01st April, 2026

Dear Valued Customers,

To ensure a smooth and efficient booking process, we kindly request you to clearly specify your requirements regarding Shipper PDA / Liner PDA, while placing export bookings with us.

This will help us avoid additional queries and ensure your bookings are processed much faster.

1. **Shipper PDA:** Rail transportation costs are directly payable by the shipper to the rail operator.
2. **Liner PDA:** Rail transportation costs are payable by the shipper to ONE. Requesting you to use Liner PDA - it's a single window solution to avoid multiple bills and streamline payments.
3. If the container is moving by road, you are requested to mention "**By Road Movement**" in Customer remarks column.
4. Please ensure to select **correct handover (full return location)** while submitting booking.

Also, you may please coordinate with your ONE Sales PIC for any query or rate negotiations related to your chosen payment method.

Thank you for your understanding and cooperation.
