

Subject Line: Mandatory E-mail Sign-In for "Additional Seal Requirement" AppSheet

Customer Advisory # MUM/2026-2027/370

Date: 13th July 2026

Dear Valued Customer,

As part of our ongoing efforts to enhance security, improve governance, and ensure that requests are submitted through authenticated users, Ocean Network Express "India" Private Limited will implement **mandatory Sign-In authentication** for the **"Additional Seal Requirement" AppSheet**.

Effective Date

Effective from 1st August 2026, all customers will be required to **sign in using their registered email account** before accessing and submitting requests through the Additional Seal Requirement AppSheet.

What is Changing?

- Access to the AppSheet will require **mandatory Sign-In** using an email account.
- Only authenticated users will be able to create and submit requests for additional container seals.
- This enhancement is intended to strengthen security, improve request traceability, and ensure better governance of the approval process.

AppSheet Access

Additional Seal Requirement AppSheet:

<https://www.appsheet.com/start/75821e0e-4216-4223-9c06-06420b3eb874>

Important Notes

- Customers who are already using the AppSheet will be required to sign in before accessing the application after **1st August 2026**.
- Requests submitted without signing in will not be accepted.
- The existing approval workflow and operational process for Additional Seal Requests will remain unchanged.
- Customers are requested to ensure that the email account used for signing in belongs to the authorized user submitting the request.

Support

For any clarification regarding the Sign-In process or AppSheet access, customers may contact their respective Sales PIC.

We request your cooperation in implementing this enhancement and appreciate your continued support.

Yours sincerely,

For, **Ocean Network Express (India) Private Limited.**
